Tulsa Training Center

Successful corporate meetings, conferences and other events require a setting that inspires while also being comfortable and well-equipped. Look beyond the usual venues. Fuel creativity and impact in our all-new 6,000-foot Tulsa Training Center, located in an historic Art Deco building filled with oil and gas industry memorabilia.

Flexible 6,000-square-foot space to accommodate large groups.

All-inclusive Tables, chairs and A/V technology at no extra charge.

Distinctive Art Deco design with oil and gas industry historical décor.

Convenient Near the culturally significant Kendall-Whittier neighborhood and I-244.

Safe Protected 24/7 by cameras and licensed security personnel.
